REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

A sealed lubrication system for a high production nutcracking apparatus including a plurality of cracking units mounted on a rotatable turret, the cracking units operated by pressurized air during rotation of the turret, and the pressurized air includes an oil mist component to reduce friction and wear wherein the oil is recovered by a system which includes an essentially closed annular collection chamber which surrounds the turret and which leads to a drain and an oil tank, and the oil tank is divided by a porous baffle plate which serves to remove and collect the entrained oil before the air is released to the atmosphere is not taught nor fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Timothy F. Simone whose telephone number is 571-272-1407. The examiner can normally be reached on weekdays between 8:00am-5:00pm.
